I'd like to be, Under the sea, In an octopus' garden, In the shade

I'd like to be, Under the sea, In an octopus' garden, In the shade
We would be warm, Below the storm, In our little hideaway, Beneath the waves
Resting our head, On the seabed, In an octopus' garden, Near a cave
We would sing, And dance around, Because we know, We can't be found

I'd like to be, Under the sea, In an octopus' garden, In the shade
We would shout, And swim about, The coral that lies, Beneath the waves
(Lies beneath the ocean waves)
Oh what joy, For every girl and boy, Knowing they're happy, And they're safe
(Happy and they're safe)

We would be so happy, You and me, No one there to tell us, What to do

I'd like to be, Under the sea, In an octopus' garden, With you
In an octopus' garden, With you, In an octopus' garden, With you
